Technology Implementation

Adult iPad

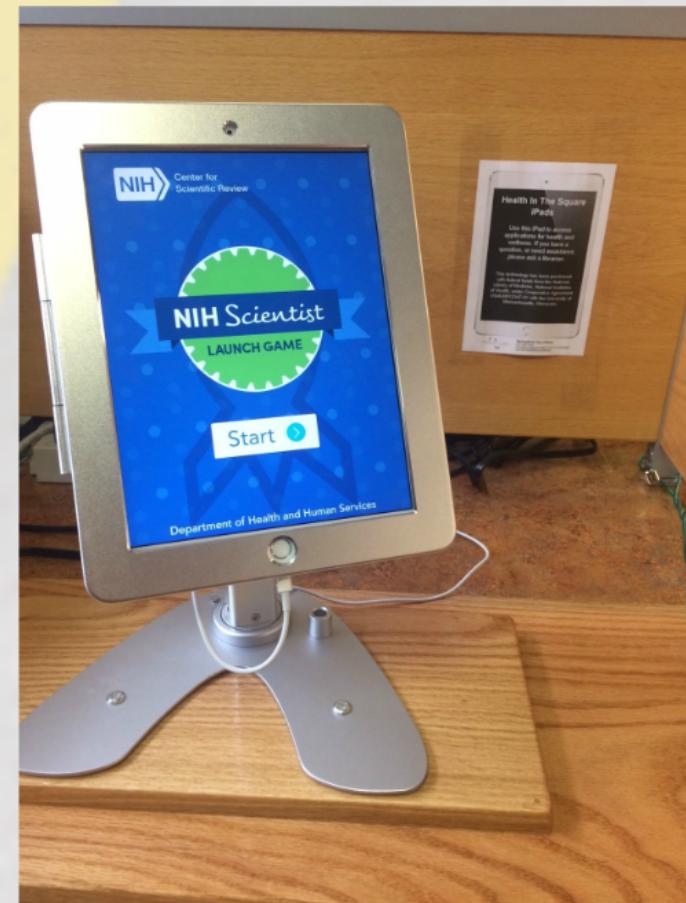

- Access to MedlinePlus and related content.

Teen iPad

- Health resources and games made specifically for teens from the NIH, CDC, and Red Cross.

Children's iPad

- Health and Wellness games from the NIH, CDC and more.

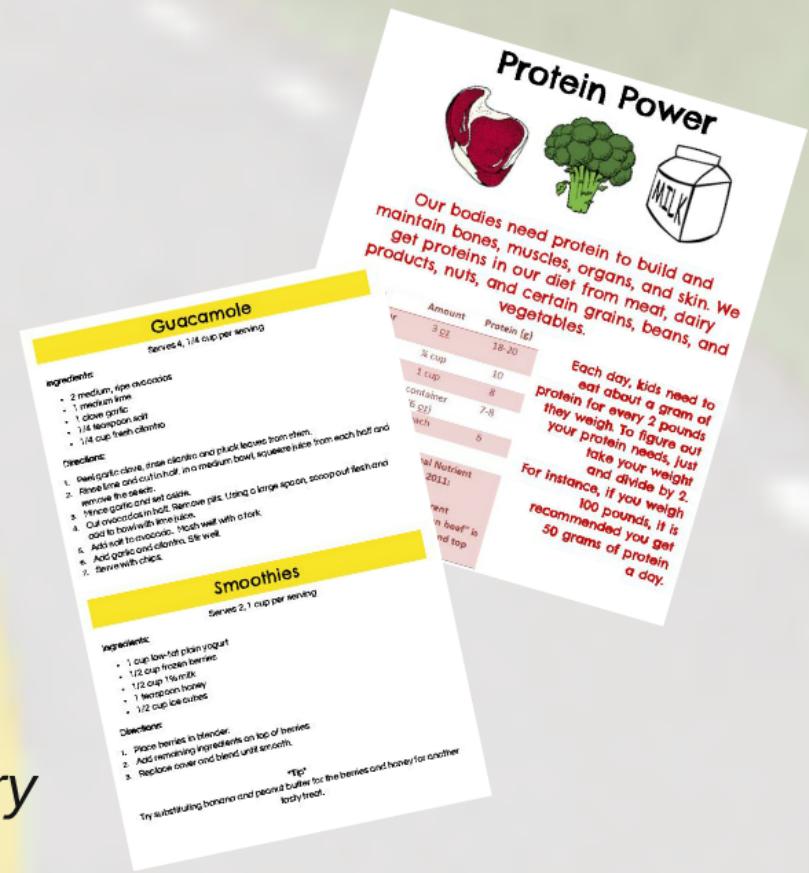

Youth Nutrition Workshops

Tasty Tuesdays at Mason Square

Children and their families...

- Develop awareness of nutrition
- Learn to prepare healthy snacks
- Explore cultural cuisines
- Read recipes
- Practice measuring

American International College Public Health Interns and Springfield City Library Volunteers helped out at each program.

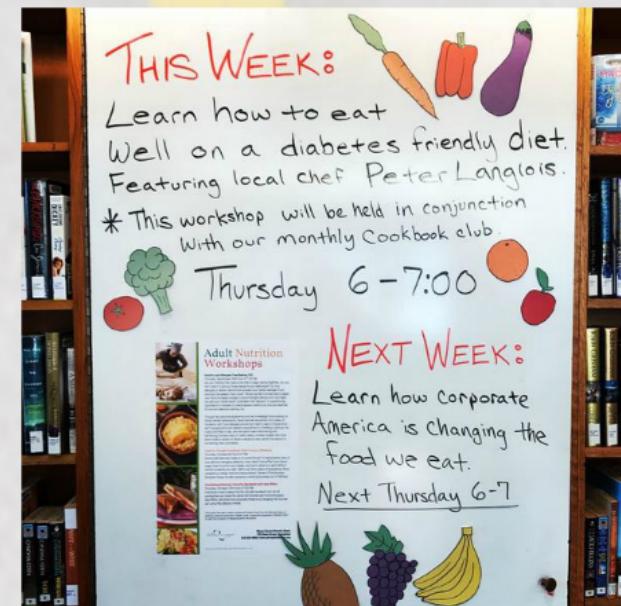

Adult Nutrition Classes

Local chefs present on nutrition topics affecting our community supplemented with information from Medline Plus.

Topics:

- Healthy and Allergen Free Baking
- Focusing on Diabetes Diet
- GMO Foods

Gardening Workshops

Springfield Food Policy Council leads gardening workshops at both the Mason Square Branch Library and at additional community garden locations in the City of Springfield.

Previous Workshops:

- Garden Planning
- Growing Greens Indoors
- Soil Health and Soil Testing
- Container Gardening
- Basic Garden Maintenance
- Seed Saving
